THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor
on earth for the building of charac-
ter and good citizenship. It is a store-
house of spiritual values. Without a
strong Church, neither democracy
nor civilization can survive. There
are four sound reasons why every
person should attend services regu-
larly and support the Church. They
are: (1) For his own sake. (2) For
his children's sake. (3) For the sake
of his community and nation. (4)
For the sake of the Church itself,
which needs his moral and material
support. Plan to go to church regu-
larly and read your Bible daily.

We don't consider it eavesdropping to "hear" our
children's prayers. Nor is it too much trouble! In fact,
it is part of our responsibility to God.

For Mollie and Ted are His children, too. Parents
are partners with—not substitutes for—our Heavenly
Father.

It is this sense of partnership that has brought faith
and the Church into the life of our family. We are not
foolishly depending on our mere adulthood to inspire
character in them. We do not command that they do
what we say, not what we do. And we never sit at home
while they are in Church, as though the truth they have
gone to seek weren't worth a grownup's effort.

We figure God wants us at the listening post, to
monitor their spiritual searchings, to share with them
the blessings He has given us all.

FORESTRY NOTES

A few more tree seedlings are still available at Mississippi Forestry Commission nurseries and persons wanting them should submit orders as soon as possible, according to State Forester Jack Holman.

"We have on hand limited supplies of loblolly pine, slash pine, red cedar and black locust seedlings," Holman said, "and the Commission will accept applications for these seedlings on a first-come-first-served basis, which will be determined by receipt of orders in the Jackson Office."

Landowners wishing to pick up their seedlings from the nursery should first make regular application, then if the seedlings are still available, contact the nurseryman where the seedlings ordered are located. For slash pine and black locust, contact Mr. E. C. Jones, Mount Olive Tree Seedling Nursery, Mount Olive, Mississippi. Mr. Clarence Walley, Waynesboro Tree Seedling Nursery, Waynesboro, Mississippi, should be contacted for pick-up of loblolly pine and red cedar seedlings. Contacts should be made prior to desired date of pick-up.

Clean
**FLAMELESS
ELECTRIC HEAT**

Clean is the word for flameless heat. **CLEAN** because electricity creates only heat. **CLEAN** because there are no by-products of combustion or fuel grime to smudge walls or settle on drapes and furnishings. Should you choose an electric heat pump, you'll enjoy **CLEAN** filtered air the year 'round without dirt, dust or pollen. Need more convincing? Ask us. Or better yet, ask the family that lives in an electrically heated home.

- curved side windows
- separate body and frame units
- a 9-step acrylic lacquer finish
- a battery-saving Delco-Romney generator
- flush-and-dry rocker panels
- a four-position ignition switch
- self-adjusting brakes
- a Full Coil suspension system
- bonded brake linings

Chevelle Malibu Sport Coupe

No matter how you look at it, this car makes a lot of sense.

If you're interested in value (and who isn't), the eleven features above give you a good idea why more intermediate-size car buyers are thinking Chevrolet.

If you're looking for a wide power choice, Chevelle starts out with a standard 120-hp Six, an ideal city performer. After that you may order from a variety of engines that turn it into an even greater highway performer.

curved side windows for extra shoulder room. Great front and rear leg room. Those four big air passengers have it made. And so do Chevelle. May seat like a toy car, but it handles like a smaller car.

Comfort? Thick walk-in-wall carpeting in all the models. Front seats are the most comfortable instrument seats in the whole line. The back looks like those seats floating far more.

Come on down to the showroom and take a drive soon. Chevelle begins to make even more sense after you've gone a couple of miles.
